guy aiken provides a critical appreciation of quaker mystic thomas kelly 1893 1941 and his classic a testament of devotion 1941 this examination of kelly s life and devotional writings is largely viewed through an augustinian lens augustine s confessions was a touchstone for kelly after his mystical transformation in 1937 38 aiken argues that kelly s vision of quakerism transcended religious and historical boundaries while still speaking directly and prophetically to mid twentieth century liberal quakerism and christianity in the united states the volume treats in

turn kelly's melding of liberal and evangelical theology his prophetic call to his contemporaries and his revival of an ancient ethic before concluding with helpful suggestions for further research

the past thirty years have seen an unprecedented level of interest in early christian biblical interpretation from major scholarly initiatives to more popular resources aimed at pastors and general readers the fields of biblical studies and patristics early christian studies each arrived at the study of early christian biblical interpretation largely from their own standpoints and they tend to operate in relative isolation from one another this book aims to bring the two fields into closer conversation in order to suggest new avenues into the study of the deeply biblical dimension of patristic theology as well as the contribution that patristic exegesis can make to contemporary views of how best to interpret the bible based on a multi year consultation in the society of biblical literature the bible and early trinitarian theology features leading scholars from both fields who bring new insights to the relationship between patristic exegesis and current strategies of biblical interpretation specifically with reference to the doctrine of the trinity following an account of how each field came to study patristic exegesis the book offers new studies of trinitarian theology in old testament johannine and pauline biblical texts and the patristic interpretation of them combining the insights of modern historical criticism with classical historical theology it promises to make a valuable contribution to both fields suggesting several new avenue into the study of early biblical literature and the development of trinitarian theology

how can i know if i am pleasing god by the way i live how can i overcome sin what does god require of me if you have ever asked these questions this book will guide you into a fruitful life as a bondservant of jesus christ in living to please god andrew murray shines the light of god's word on the pathway to spiritual maturity against the background of paul's letter to the ephesians you will discover the secrets of enjoying god's presence becoming one with other believers preparing for spiritual warfare and obeying your heavenly father

an examination of paul's use of the term zeal presented through engagement with three key texts and the new perspective on paul

michael c schoenfeldt here offers the first major exploration of the connections between george herbert's devotional poetry and the social practices and political discourse of his day viewing the temple and the country parson as part of the larger civilizing process of western europe schoenfeldt shows how herbert discovers in the discourses of courtesy and theology a common vocabulary of authority selfhood petition and discipline before entering the priesthood herbert nourished contacts in court was elected university orator at cambridge and served in parliament in turning to god schoenfeldt argues herbert did not simply turn away from the secular world but also turned its language particularly the language of courtesy into the medium for his lyric worship of god the confluence of courtesy and spirituality in herbert's poetry

provides a fascinating insight into a society searching for an appropriate discourse of reverence in a time of baffling change the first five chapters investigate the manifold ways in which herbert s life and works exemplify the interdependence of social and religious behavior in the english renaissance the sixth and final chapter extends this investigation into the nervous eroticism of herbert s poems considering the temple as well as herbert s letters speeches latin poems collections of foreign proverbs translations the country parson and less familiar lyrics schoenfeldt offers a thorough and detailed reading of herbert s rich and conflicted corpus prayer and power is not only a bold redefinition of the accomplishment of one of the finest poets of the english renaissance but also the first sustained study to advance a cultural poetics of the religious lyric

includes critical reviews
